

Plug-n-Locate GPS Tracker

3-Locate's newest product is revolutionary. The Plug-n-Locate GPS tracking device is one of the smaller units in the market. Installation is easy and simple! You'll be able to locate the vehicle at anytime and pinpoint its exact location on a map.

Buy-Here-Pay-Here Used Car Dealerships & Sub-Prime Vehicle Finance

3-Locate's product is designed to assist the Buy Here Pay Here (BHPH) car dealerships and sub-prime vehicle finance companies quickly locate their financed vehicle in the event of customer default.

Due to the current economy and higher delinquency rate you must take appropriate steps to protect your business. Our GPS Tracking system helps reduce your risk by enabling you to locate the vehicle for repossession. Our GPS tracking system works inside buildings and areas without a direct line of sight to the tracking satellites. Our coverage includes all 50 States, Canada & Mexico.
